

## CYMRAEG

### Key Stage 3

The Languages Department at Mary Immaculate always strives to reflect the Mission Statement of the school. Our policy is to promote a positive and caring attitude towards each other.

All students at Mary Immaculate study Welsh at both KS3 and KS4. All staff and students are encouraged to make use of the language as much as possible, in a variety of situations. Here at Mary Immaculate, students are provided with a wide range of linguistic skills and are taught using a variety of innovative and creative techniques. It is important to create an enthusiastic learning environment where students are able to enhance their knowledge in all skill areas and enjoy learning the Welsh language. KS3 students will have 4 periods of Welsh a fortnight and will study a variety of topics in each Year. All students will be provided with a topic booklet which will include all key vocabulary and sentence structures in both English and Welsh. We understand that not all families are bilingual and therefore this is an essential resource for all.

Students in Year 9 are given the opportunity to accompany the department on our annual trip to Disneyland Paris for St. David's day. Students are encouraged to use the target language as much as possible whilst on the trip whilst experiencing all the festivities that the Welsh Disney festival has to offer.
